

Inquiry Letter/Form for a Maklad-Steam-Injector

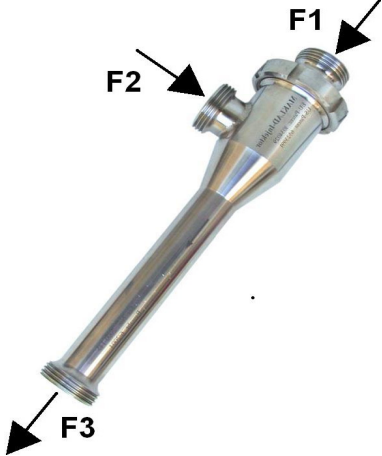

To: Maklad innovative Fluid- und System GmbH;
 Fax: +43 (0) 2738 21418 10

The Maklad Company is pleased about your concrete interest in the unique Maklad-Injector-Technology. In order to be able to provide you with a quick solution to your Problem, we need you to complete the form below, as precise as possible. In case of questions, please feel free to contact us either by phone at +43 (0) 2738 21418 or by email at maklad@maklad-fluid.com.

Customer's contact information:	
Company name	_____
Contact person	_____ Division _____
Fax	_____ Call number _____
E-Mail	_____

Intended use for the Injector	_____
Number of Injectors needed:	_____ pieces

Steam-parameters (in case of an existing steam-supply-system) - Flow F1	
vapour temperature	_____ °C
vapour pressure	_____ bar
Product flow - Flow F2	
flow rate (max)	_____ m³/h
flow rate (min)	_____ m³/h
inlet temperature	_____ °C
inlet pressure	_____ bar
Efflux - Flow F3	
requested outflow-temperature	_____ °C
requested outflow-pressure	_____ bar

In case of secondary media, other than water, please provide details/data	
name of the fluid(s)	_____
is it possible to get a sample of the fluid?	Yes / No
viscosity	_____
Newtonian fluid	Yes / No
solids contents	_____ %
particle size	_____ mm
further details on the fluid	_____

General questions or further information	_____
--	-------

We request the Maklad Company to send us a quotation, non-binding and free of charge. We like you to contact us within the next 5 weekdays.
